

ALCEÑO JOVEN 2009

D.O. Jumilla—60% Monastrell, 20% Tempranillo, 20% Syrah

Heralding from a 140-year old family owned winery in the Mediterranean town of Jumilla, ALCEÑO combines a rich history of tradition and quality with a distinctly modern style. The wine is the result of a coupage of the estate's highest quality Monastrell and Syrah grapes, followed by four months of aging in American and French oak barrels. The result is a perfect harmony of vibrant fruit, rich aromas and new oak.
