

Information Requested	Notes
name of the property	Bodegas Vagal SL
name of the wine	Ardalejos 2006
Property Summary	Located in the north of Segovia, Valtiendas borders the provinces of Burgos and Valladolid. The Bernardine monks brought viticulture and oenology to Valtiendas in the same epoch as to Valbuena de Duero. Bodegas Vagal is the historic patrimony of fifth generation wine growers and winemakers in this unique Valtiendas terroir. The youngest generation of Galindo´s; a two-brothers team, epitomises young passionate winemaking - elaborating limited production wines of own grapes, which above all reflect the land they come from.
Wine Name Significance	ARDALEJOS is the name of the vineyard planted on this high Segovian plateau.
Appellation	DOP (Denominacion de Origen Protegida) Valtiendas
Varieties / percentages	Tempranillo 100%
Vineyards	Pago Ardalejos, vineyard in own property. trellised (en suspension).
tipo de viticultura	Valtiendas is an area of very low rainfall and intense sunshine, yet due to the altitude, the vines experience an extreme temperature range (20°C or more in a day) during the growing and ripening. seasons. This results in grapes with a high phenolic content, yet a comparatively mild sugar content and hence alcohol. The Galindo´s feed their vines only with organic fertilizers, typically from sheep, and use no residual herbicides or minerals. The leaves on each vine not facing the sun are removed to improve ventilation, avoid fungal infection and ensure the maturation of the grapes. The grapes are pruned and harvested with the declining moon in line with biodynamic practices and the total yield is strictly limited by winter pruning, aeration during flowering, as well as with extensive pruning of unripe, unwanted grape clusters.
edad del viñedos	25 yrs
yield	3500 - 4000kg/ha
soilds	covered with smooth, somewhat large & round boulders, (canto rodado), at 1m - sandy clay (arcilla arenosa) , & at 1,5m lime (cal)
