

ABSIDIS BRUT CAVA NV

DO Cava —40% Xarel·lo, 30% Parellada, 30% Macabeo

Emendis is so named after the first woman recorded as living on our estate - centred on a Manor House in the Castellet and Gornal area (Penedès, Barcelona) and of which there is written record dating back to 1186. This Project is our personal homage to the continuing history of these lands that we continue to work in the traditional manner handed down from generation to generation. The Valles family, which has grown wines on this land for generations, have now put the project in the hands of a young team with particular expertise in their areas.
