

VALTEA ALBARIÑO 2010

D.O. Rias Baixas — 100% Albariño

Bodegas Vilarvin is a small, family owned winery located in the town of Crecente, less than a mile from the Portuguese border. Not only were we impressed by the quality of the wine and the winery itself, but others must be too. It is the official Albariño of the **Paradores**, the wonderful and charming chain of state-run hotels within castles and monuments in Spain. Although this winery was founded in the 90's, the family can trace their winemaking roots back over 200 years. They currently possess 150,000m2 of estate grown fruit and have rented another 70,000m2 of vineyards.
